

# K1R

On Friday morning January 1st, 2016, members of the 7.272 Ragchew

group will wake up, hopefully without a hangover, (hihi) and join us in a very special event.

Join Baby Taz, our mascot, and celebrate our 12th annual New Year's Day special . Make two contacts with our 1/2 hour NCS's and earn our celebratory anniversary certificate.

Send your SASE (self addressed stamped envelope) preferably a 9x12 inch envelope if you don't want the certificate folded, to: Loby-WA2AXZ

## Our Annual Fund RaiSer

During January of each year, a call goes out to our members to help us keep our organization without organization afloat. Your small contribution keeps the website on line as well as helping with the postage and background costs encountered during the year. Please send your contribution to your Special Events Coordinator, WA2AXZ, today.

Or, connect with the PayPal link on the 72chew.net web site for a quick method of helping out.

Many Thanks!

A special thank you goes out to Charles-WD4CLT for his kind and generous contribution to our organization without organization.

## An historic resource for just about everything Radio and TV.

John-KB1YFD reports that he found a great web site containing literally hundreds of searchable publications. One can find vintage works covering early radio through the beginnings of television. This also includes broadcast radio personalities and stories of their foray into a

new medium.

Stop by [americanradiohistory.com](http://americanradiohistory.com) for an enjoyable read.

## Heard on the radio...

If it weren't for the IRS, I'd be a millionaire today!

**Brian-KB3WFV** reports that no matter what he does on amateur radio, the "Taz" is always looking over his operations.

**Ray-KB3HQP** bags a seven pointer. Ray lives in the mountainous region of southwestern Pennsylvania, home to various types of wild game. He and his family needn't trek far for turkeys, geese and other delectables.

**A very happy, prosperous, healthy and serene New Year to all of our friends and family of the 7.272 Ragchew Net.**

## DAYTON 2016

Even though the snow may be falling in certain areas of our country, it is time to start thinking about springtime and our annual assembly of friends and families at the Dayton Hamvention. May 20, 21 and 22nd, 2016

Once again we will be meeting on Thursday evening, May 19th, at Rob's Restaurant, in Brookville Ohio. Everyone is invited to our 12 annual get together of 72 Chewers. Including 1721'ers Night Watchers, Corn Cobbers, Rooster Rooster's (you get the idea... everyone is welcome!)

If you have decided that you are coming, please let me know via an e mail, so I can once again reserve the room for our special evening. [wa2axz@arrl.net](mailto:wa2axz@arrl.net)

### A note from your editor ...

Our monthly newsletter "THE CHEW", contains information about the activities and participants in the 7.272 Ragchew Net. We rely on contributions of stories and pictures from the members to keep all of us up to date, impart information we can all use and, of course, to raise a smile and a chuckle or two.

If you find a new "Taz" photo that can be used for future certificates and QSLs, that too is greatly appreciated. Please, e-mail your stories, tech info and photos to Loby at [wa2axz@arrl.net](mailto:wa2axz@arrl.net) Many Thanks!
