

Our Annual end of summer, Labor Day weekend event.

K1R

For the 12th year join us and the "Taz" for the end of summer Labor Day weekend bash, celebrating America and the American worker.

Beginning Saturday September 3rd through Sunday the 4th, we will be operating with our regular stable of net control stations along with volunteers to take the celebration into the afternoon.

On Labor Day, Monday the 5th, we will be changing Net Control Stations every half hour through the afternoon welcoming all to join in the celebration.

If you would like to volunteer as an NCS Saturday or Sunday afternoon or for one of the 1/2 hour spots on Labor Day PLEASE, contact Loby: wa2axz@arrl.net and a prestigious position will be locked in for you.

A brand new certificate is being offered to anyone working any one of our stations during this event. Send Loby-WA2AXZ a self addressed stamped envelope (a 12X9 inch size if you do not want the certificate folded) Bob Lobenstein 1958 East 36 Street Brooklyn, NY 11234

KRING POINT!

Each year, for the past 14 years, there is an international gathering of fellow hams and their families in upstate New York on the Canadian border. Started by the late Tom-KC8QGJ, members of the 160m 1721 group, the 7.272 Ragchew,

the Canadian 3.730 group, the Rooster Roster and many others enjoy an end of summer barbeque.

This year, continuing this great tradition, Loby-WA2AXZ is hosting a great party on September 17th, at the Kring Point State Park, east of picturesque Alexandria Bay. We will be meeting at the enclosed pavilion beginning 1pm and will continue until the evening hours. Bring your camera to capture a spectacular sunset over the mighty St. Lawrence seaway!

Usually well over 60 people show up and now with the pavilion, many more are expected. If you are planning to head to this post Labor Day event, hotels & motels are offering end of summer deals so, e mail me at wa2axz@arrl.net and a complete information sheet will be sent to you.

NEWS FLASH

Hara Arena Closes!

Unless you've been hiding in a cave, you have probably heard about the Dayton Hara Arena closing. For decades the Hara served as the site of the

annual Dayton Hamvention. If you have been attending continuously for the past dozen or so years as I have, as the years passed the building and grounds were not properly maintained and deteriorated with each Hamvention. According to the ARRL news report, Hara was depending on the local hockey team to stay afloat. The team decided to cancel this and future seasons which drove the final nail into the coffin.

The Dayton Amateur Radio Assn. which sponsors the Hamvention stated that they were working on a "Plan-B" as even they knew the arena was on shaky ground.

I am happy to report that the venue has moved from Dayton to Xenia Ohio, a few miles southeast of the Hara. The Green County fair grounds will be the site of the 2017 Dayton festivities. A beautiful and big site with plenty of room for the Hamvention should prove successful. Check out: www.greencountyfairgrounds.com and DX Engineering video: <https://www.youtube.com/watch?v=FXXI18G0QA0&feature=youtu.be>

Now, as for our group, 2017 will go off as planned. We will have our annual Thursday evening get-together at Rob's and of course, our Friday barbeque at the Dayton KOA along with our traditional evening sit around the campfires at site #79. I hope to see all of you there !

Around the bands:

Each evening for the past 14 years, friends from all over join in on the roundtable discussions on the 160 meter group, "1721" We meet each evening on 1.871 MHz from about 8pm to 10 pm (Summer hours) and 7pm to 9pm (All other seasons) Eastern Time

Sully's International

Rooster Roster

N.Y. State 1,000 Islands and on Echolink 1992-2016

When upstate, the morning net, starting at 7:30 am each morning can be worked on 147.135+ with a PL of 151.4 (Fine NY) or 147030+ with a PL of 151.4 (Limerick NY)

Friends from across the world are welcome and can check in via Echolink on the WA2NAN or AC2GE links. Members of the Chew and others visiting upstate for the annual Kring Point party use these frequencies to stay in contact and keep up to date with events on the U.S. -Canadian border.

NIGHTWATCH NET

Friends meet up each afternoon from 5pm to 7pm Eastern time on or around 7.192 MHz depending on band activity.

Our Annual Fund Rai\$er

During this time of the year, a call goes out to our members to help us keep our organization without organization afloat. Your small contribution keeps the website on line as well as helping with the postage and back-ground costs encountered during the year. Please send your contribution to your Special Events Coordinator, WA2AXZ, or use the Paypal link on the 72chew.net website today.

A hearty *Thank You* to Ken -KD2HHT, Andy-KC3GHK and Ray-N4GYN for their recent generous contributions!
